

## St Mary's School Council 2022-23 – Aims

1. To continue to seek to improve the school and its environment through acting on the suggestions of our pupils.
2. To continue to support charity events such as Save the Children Christmas Jumper Day and other worthy causes.
3. To continue to help our pupils become the best citizens they can be through organising and promoting 'The Great St Mary's Citizenship Challenge'
4. To help promote healthy eating by encouraging our pupils to try a tasty, healthy school dinner cooked by our expert kitchen staff.

### **We aim to achieve this vision by:**

- Meeting regularly
- Making decisions jointly, fairly and democratically.
- Listening to the views of others ( for example by use of class suggestion boxes)
- Setting and monitoring a monthly 'Citizenship Challenge' for our pupils.
- Talking to the kitchen staff and SLT about themed food days and other special events.
- Bringing good ideas to our meetings.
