

St Mary's Church of

England

Primary School

"Love one another as Jesus loved us" John 13 34-35

### Year Four Easter Service

A wonderful Easter Service led by Year 4. All pupils were reverent as we reflected on the events of Holy Week. The singing and solos were outstanding, including an amazing rendition of Spring Chicken !

## Year Five Christmas Service

The Year Five class usually leads a magnificent Christmas Service in St Mary's Church on the last day of term every December. The whole school are involved: our choir perform, the school band and woodwind group lead carols and Reception Class pupils present the Posada to be received by clergy. It is a truly joyful occasion in what is usually a packed church! Everyone leaves with their spirits lifted and with a smile on their face!

### Year 3 Harvest Service

Year 3 hosts our annual Harvest Service in St Mary's church. We collect food for charities including Oldham Food Bank.

Reception and Year 6 Buddy Assembly

We welcome our youngest children into the school family, they receive their prayer books and a blessing from Mother Katy.

Christmas Carol Service

Year Five lead us through our traditional Christmas Carol Service where we remember both the real meaning of Christmas alongside those less fortunate.

The 2023 service was based on Hans Christian Anderson's 'The Little Match Girl' and reminded all present to look out for others less fortunate than themselves.

*"A beautiful service that reminded all present to be compassionate"*

Reception Nativity

Reception perform a Nativity play for the whole school and their families as they reflect on the birth of Jesus.

Reception takes home our Posada scene in the run-up to Advent.

Year 4 Easter Service

Year 4 leads our Easter service in St Mary's Church as we reflect on the days leading up to Jesus' crucifixion.

Year 6 Manchester Cathedral

Year 6 pupils and staff make an annual visit to Manchester Cathedral. We meet many other schools from around Manchester as we reflect on our time in primary school and look ahead to our futures.
